Dear Friends & Supporters:

Due to all the present health concerns about the virus and our concerns about keeping everyone safe and healthy we have decided it best to “Postpone” the BWC golf tournament until September 17, 2020. We thank you for your patience and ask for your prayers for those most affected by this disease. We are a strong people and together we will overcome this. Stay safe and follow the health procedures recommended. We look forward to seeing you in September.
